CONFIDENTIAL.

Dear Sir,

I have to acknowledge receipt of your letter and enclosures of February 27 regarding Mr. A.W. Nash, who is suspected of having stolen certain monies from the safe of the Municipal Waterworks, Tientsin, and to inform you in reply that Mr. Nash arrived in Shanghai on March 3 and left with his wife by the S.S. "Admiral Leben" for Hongkong on March 9. While here, Nash lived with his brother-in-law, Mr. F.W. Ambrose, Chief Inspector in the Health Department, S.M.C., at No. 58 Edinburgh Road. Efforts made to shadow Nash were found impracticable, but so far as could be ascertained he did not attend any entertainments other than private parties.

Yours faithfully,

With reference to the attached letter of February 27, 1929 from the Acting Superintendent of Police, Tientsin re Mr. A. W. Nash, inquiries show that during his stay in Shanghai he resided with his brother-in-law, Mr. F.W. Ambrose, who is employed in the Health Department, at 58 Edinburgh Road, and with his wife and infant left in the S.S. "Endre Lebon" for Hongkong on March 9. Dear Sir,

On the 5th. inst., the sum of \$3151.00 made up as per enclosure was found missing from the safe of the Municipal Waterworks. The money was deposited in the safe on receipt from the bank in the morning by Mr. Nash and a Chinese named Liu, both in the employ of the Waterworks. When the safe was opened at 2 p.m. the money was found to be missing. Up to the present we have been unable to trace the money. The employees give satisfactory accounts of themselves and we are now wondering if Mr. N. yielded to the temptation as he was going on leave, and removed the money during the tiffin hour. He had admission to the office though we are unable to trace that he actually did so between 12.15 and 2.5 p.m. As Mr. N. will be staying in Shanghai, I would appreciate any assistance you may be able to render by having him shadowed and note if he by any chance might change any of the notes of the Banks mentioned in the enclosure.

Yours faithfully,

H. S. Almond  
Acting Superintendent.

H.C. (Pal.)

I cannot see that our enquiries on the lines suggested will help much to prove theft. anyone may have such notes.
